

NIKOLAS HADDOCK

US ARMY VETERAN

EXPERIENCE

AIRBORNE INFANTRYMAN - US Army

Fort Bragg, North Carolina & Afghanistan | June 2016 - November 2020

Served four years as an Airborne Infantryman, applying skills and knowledge in home station environments as well as overseas assignments and duties. Trained to perform under stressful situations and can withstand physical pressure.

Completed a nine month deployment in Afghanistan, participating in Operation; Freedom Sentinel. Conducted numerous amounts of foot and vehicle missions as a rifleman and machine gunner.

UNIT ARMORER - US Army

Fort Bragg, North Carolina & Afghanistan | June 2018 - November 2020

Managed an armory that became the battalions standard for organization and efficiency. Responsible for managing 5 other people. Maintained 100% accountability of over \$4.7 million of highly sensitive government property. Directed receipt, storage, and issue of ammunition. Maintained weaponry and other advanced equipment.

INSULATION INSTALLER - Dynamic Building & Energy Solutions

North Stonington, Connecticut | January 2021 - May 2021

Worked as an insulation installer for 5 months. Quickly learned while on the job and became one of the top performers in the company within the first month. Demonstrated ability to work in challenging conditions while also paying close attention to detail in order to provide clients with efficient and high-quality work
